This is the first and only Islamic Learning Facility of its kind in the entire Eastern Cape region. We offer the following learning facilities: 1) Full Boarding and Lodging: All meals and amenities for students provided. 2) Hifz course for full time and part time students. 3) English and Maths classes for full-time students. 4) Alim course, including Urdu and Arabic. 5) Basic two-year Arabic course 6) One year Imamat course. 7) Madresa education for school learners. Recreational Activities include archery, cycling, and horse-riding by expert instructors. We cater for students from all backgrounds and from all areas. The Darul-Uloom has a Da'wa and Publications department that publishes booklets, newsletters, Madresa text books, and other literature for free distribution. This department also oversees 15 maktabas in the Eastern Cape Province, most of which are situated in rural areas. These maktabas provide Islamic education to children in outlying areas, who normally would not be able to attend any Madresa. Da'wah work is also done from these maktabas, as well as social and welfare work. The PE Darul-Uloom also has a welfare department that provides food and assistance to the destitute in our region. We accept sponsorships for needy students, as well as any of the above programs. We also welcome sponsorships towards running costs and maintenance, including remunerations for teachers and staff. Sponsor any of the above activities and earn thawaab-e-jaariyah on behalf of yourself or loved ones that have passed on.
